RECOGNIZING THE SERVICE OF LIEUTENANT DALE EDWARDS

HON. RALPH NORMAN

OF SOUTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 9, 2021

Mr. NORMAN. Madam Speaker, I rise today to recognize the outstanding service of Lieutenant Dale Edwards, a beloved community leader and police officer in York, South Carolina.

Lt. Edwards has dedicated over two decades of his life to serving our community. As York's community officer, Lt. Edwards is responsible for attending local events, organizing the Thanksgiving and Christmas meal drives and holiday gift drive, and training other officers. He has spent his career forging meaningful relationships with our community. As a testament to his commitment to service, Lt. Edwards has celebrated numerous Thanksgiving and Christmas holidays by handing out \$100 bills and turkeys to needy community members from his patrol car. He also regularly volunteers at Tender Hearts and works with local volunteers to collect donations for gifts, toys, and clothes to distribute.

Lt. Edwards consistently goes above and beyond the call of duty. In September of 2021, Lt. Edwards helped save the life of a fellow community member. During a morning service at Liberty Church, Glenn Raybon collapsed and suffered sudden cardiac arrest. Two registered nurses, Kelly Stewart and Reeanna Hinkle, jumped into action and began administering CPR. Lt. Edwards retrieved the automated external defibrillator and courageously delivered a shock to Mr. Raybon, who was able to begin breathing on his own and regained a palpable pulse. Mr. Raybon made a full recovery and was back in church three weeks later.

More recently, Lt. Edwards and his wife Robin organized a welcome home parade for a young woman named Maggie who left the hospital after a lengthy battle with COVID-19. On short notice, Lt. Edwards assembled a fire truck, three police cars, and more than twenty vehicles of community members to ride by and see Maggie's smiling face. The parade was a deeply moving experience for everyone involved.

These stories are not outliers for a day in the life of Lt. Edwards. His sense of service and selflessness is above reproach, leading him to earn the respect of law enforcement and citizens all over the state. In the words of Mayor Mike Fuessler, Lt. Edwards "is a true asset to the force and community." Others have described Lt. Edwards as a "miracle from the Lord." His career is a testament to all the good our men and women in blue do for our cities. On behalf of the 5th District of South Carolina, I thank Lt. Edwards for his continued sacrifice and service. York is truly blessed to have him as a community guardian.

NEWCOMB SENIOR APARTMENTS

HON. JEFFERSON VAN DREW

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 9, 2021

Mr. VAN DREW. Madam Speaker, Vineland, New Jersey's Planning Board approved a \$17 million project which will benefit the senior community in Cumberland. Our seniors are the bedrock of our communities, not only in South Jersey, but the entire nation. It is necessary that we care and protect them, just as they did for us. Developer, Hans Lampart, and the Vineland Planning Board are doing just that with their redevelopment project. Their project will give seniors the opportunity to live independently and affordably in high-rise style apartments. On behalf of the senior community, I thank Hans, and wish him good luck as he moves forward with this project. God Bless Newcomb Senior Apartments, and God Bless America.

RECOGNIZING THE COMPLETION OF THE FIRST KOREAN WAR MEMORIAL MONUMENT BUILT IN THE CITY OF FULLERTON

HON. J. LUIS CORREA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 9, 2021

Mr. CORREA. Madam Speaker, I rise today to honor and venerate the more than 54,000 American lives lost during the Korean War. The Korean War began on June 25, 1950, when North Korean soldiers crossed the 38th parallel and invaded South Korea. The violence immediately drew international attention, and on June 27, 1950, President Harry S. Truman ordered United States air, sea, and ground forces to assist the Republic of Korea.

All Americans owe a debt of gratitude to our nation's soldiers, ground troops, sailors, airmen, coast guards, and marines who fought and died defending the world's model of freedom, democracy, and justice.

In that vein, Koreans and Korean Americans have led a major effort to design, construct, and oversee a monument that recognizes the extraordinary bravery of those American service members who lost their lives during the Korean War.

Led by the Orange County Korean War Memorial Committee, of which I am a member, the historic Korean War Memorial Monument will be dedicated November 11, 2021, on America's Veterans Day. Located in the north-

ern part of Hillcrest Park, adjacent to the Duck Pond, the monument will be the first in America to feature the inscribed names of all 36,591 soldiers who made the ultimate sacrifice while serving on the Korean Peninsula, 2,612 of whom were Californians.

Through this effort, there will be ongoing dialogue about the Korean War's historical significance, while promoting awareness and reminding the public of the noble sacrifice made by America's fallen veterans.

Please join me in commending the work and dedication of the volunteers and officials from various agencies who helped turn the dream of a Korean War Memorial into reality. By doing so, a permanent monument now stands to honor the 36,591 fallen heroes who so valiantly gave their lives to protect freedom.

COMMITMENT TO HAMILTON COUNTY VETERANS

HON. VICTORIA SPARTZ

OF INDIANA

Tuesday, November 9, 2021

Mrs. SPARTZ. Madam Speaker, I rise today to honor the 13,301 Veteran residents of Hamilton County, Indiana, in collaboration with state and local officials of the county and submit the following for the record:

Whereas, Hamilton County is proud to be home to 13,301 Veterans; and

Whereas, we continue to build, encourage, and connect resources and systems of care that empower Veterans to live their best lives and realize their full potential within our community; and

Whereas, Hamilton County, in collaboration with our residents and partners, is committed to the health and well-being of the men and women who have served our country; and

Whereas, since 2005 the rate of suicide in Hamilton County among Veterans was 32.0 per 100,000, compared with 17.2 per 100,000 for nonveterans; and

Whereas, we remain concerned about the number of veterans that we have lost to suicide; and

Whereas, we recognize the challenges when transitioning from active-duty status, understand Veteran assistance is a constant community effort, and the need to assist Veterans in navigating those resources that the Hamilton County community provides is continually addressed.

Whereas, we commit to engage in community efforts and collaborate with partners like the United States Department of Veterans Affairs, the Indiana Department of Veteran Affairs, Hamilton County Health Department, the Veterans of Foreign Wars, the American Legion, community mental health centers, and our business and non-profit community members to create effective solutions to reduce Veteran suicide within our community.

Whereas, we are committed to creating a welcoming community where our returning Veterans can live, work, and thrive with ready access to the care they need when they need it.

As Indiana's Fifth Congressional District Representative, I proclaim our community's appreciation of our Veterans, and our pledge to help save veteran lives.
